SUCCOT: SUCCOT ON TOUR

Dan & Dina are planning their world tour but they're not sure where they'll end up on **Succot**. Can they build a **Succah** in the Himalayan mountains? What about on the back of a pick-up truck? If they're in Venice, they'll be on a boat. If they're in the desert, they'll be on camels. Where is it permissible to make a **Succah**?

Check out the information below from the **Mishna** on **Succot** and help them work out which **Succot** are kosher so that they can plan their itinerary.
