VAYESHEV: SHINING BRIGHT!

CHANUKAH STARTS THIS WEEK! CHECK OUT OUR CHANUKAH SONG TO REMEMBER ALL THE INFO YOU'LL NEED TO LIGHT YOUR MENORAH.

(To the tune of Maoz Tzur)

First we need to know WHAT do we light?
Olive oil or candles, so they'll burn bright
WHERE do we light them? Well it's got to be
By the door or the window where everyone can see

HOW MANY? Let's get this straight
Add one every night, until you get to eight
So there's one on the first night, the second there'll be two
And we carry on adding one all the way through.

Now here's a little trick with the candle that's new
You put it on the LEFT side and light it FIRST too
Make sure the candles are all the same height
And use a special candle called the SHAMASH to light

Now it's time for the first beracha
LEHADLIK NER SHEL CHANUKAH
Then carry on with beracha number two
SHE'ASAH NISSIM LA'AVOTAYNU
(Repeat last bit of tune)
And on the first night, a third beracha too
SHEHECHEYANU VEKIYEMANU
