

# My Little Shavuot Book

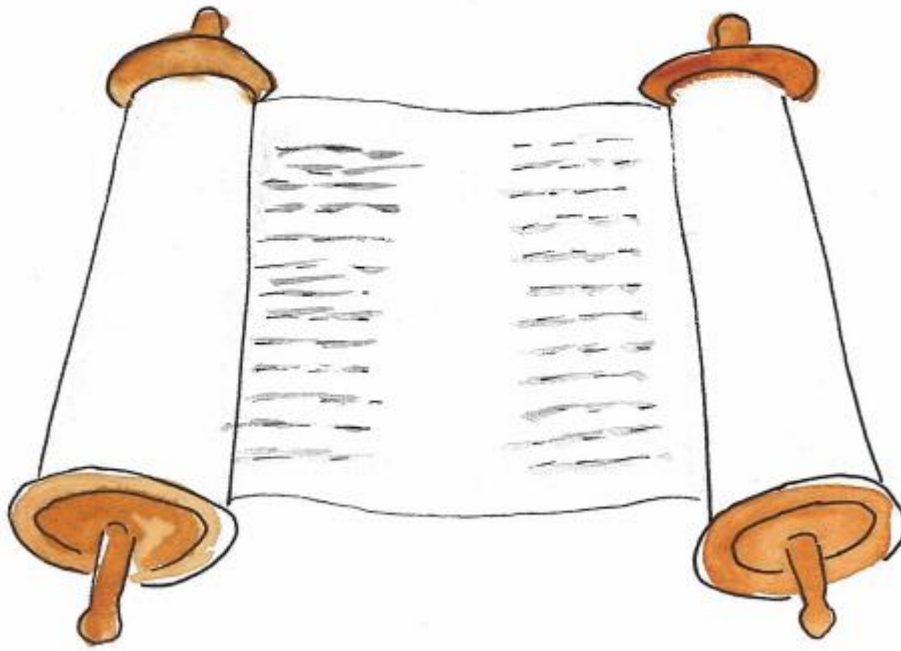

**Mummy, I have a question  
That I wanted to ask you.  
What does it mean  
when people say that I am a Jew?**

**You ask a good question,  
And at a perfect time too  
Because today is Shavuot  
When you became a Jew!**

**Hashem made this world,  
and he created all men.  
Then He hid, so anyone could choose,  
if they wanted to find Hashem.**

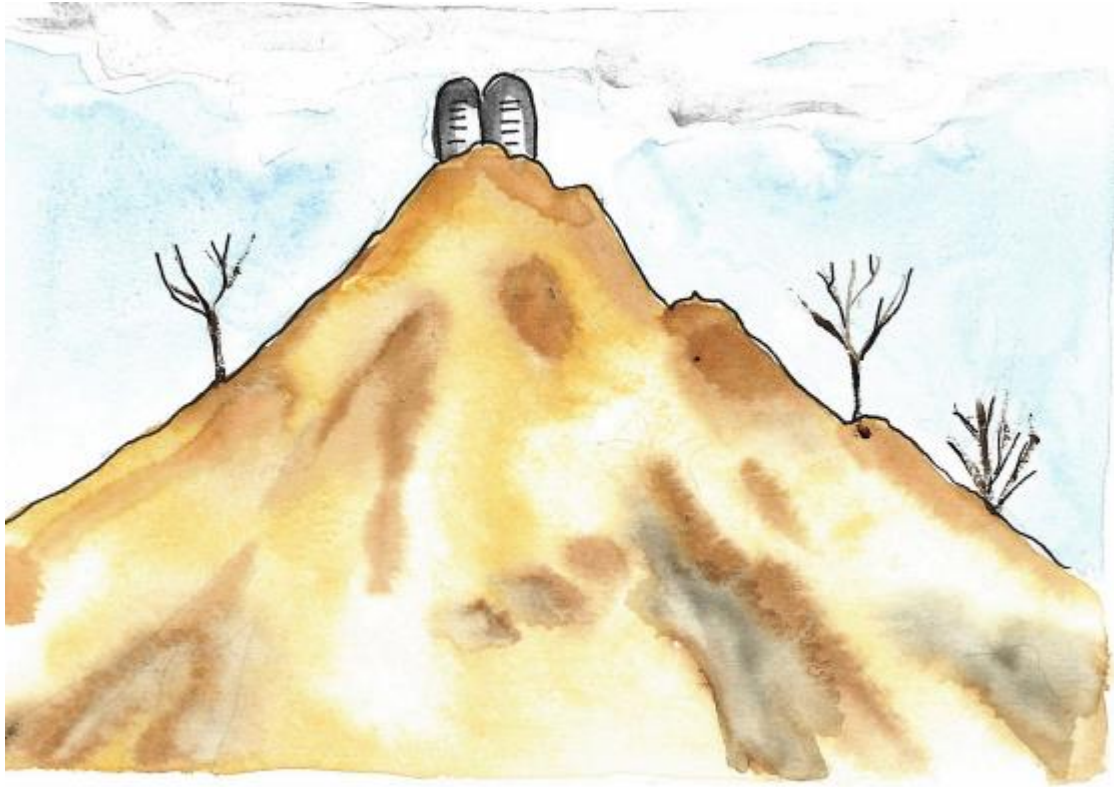

**He made a book of instructions,  
That teaches us how to live.  
It's called the Torah,  
And it is a special gift.**

**He asked all the nations,  
"Do you want this gift of mine?"  
But they said "no, thank you",  
"for Torah, we've no time."**

**Next He asked the Jewish people,  
'Would you like this gift of mine?'  
They said "yes, please..  
Thank you for being so kind!"**

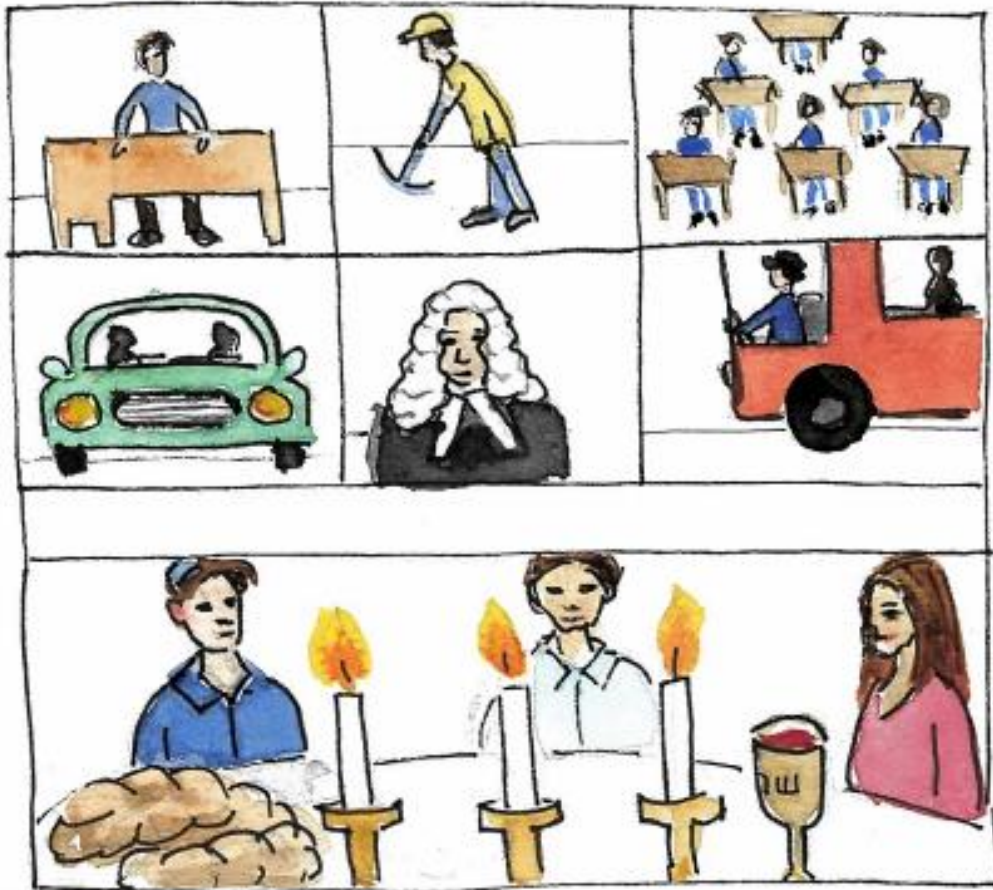

**So, we all came to Mount Sinai,  
On Shavuot, a very special day.  
Hashem gave us his Torah,  
We promised to follow in His ways.**

**The Torah has lots of laws,  
That tell us what to do.  
It teaches us how to grow,  
And become a better you.**

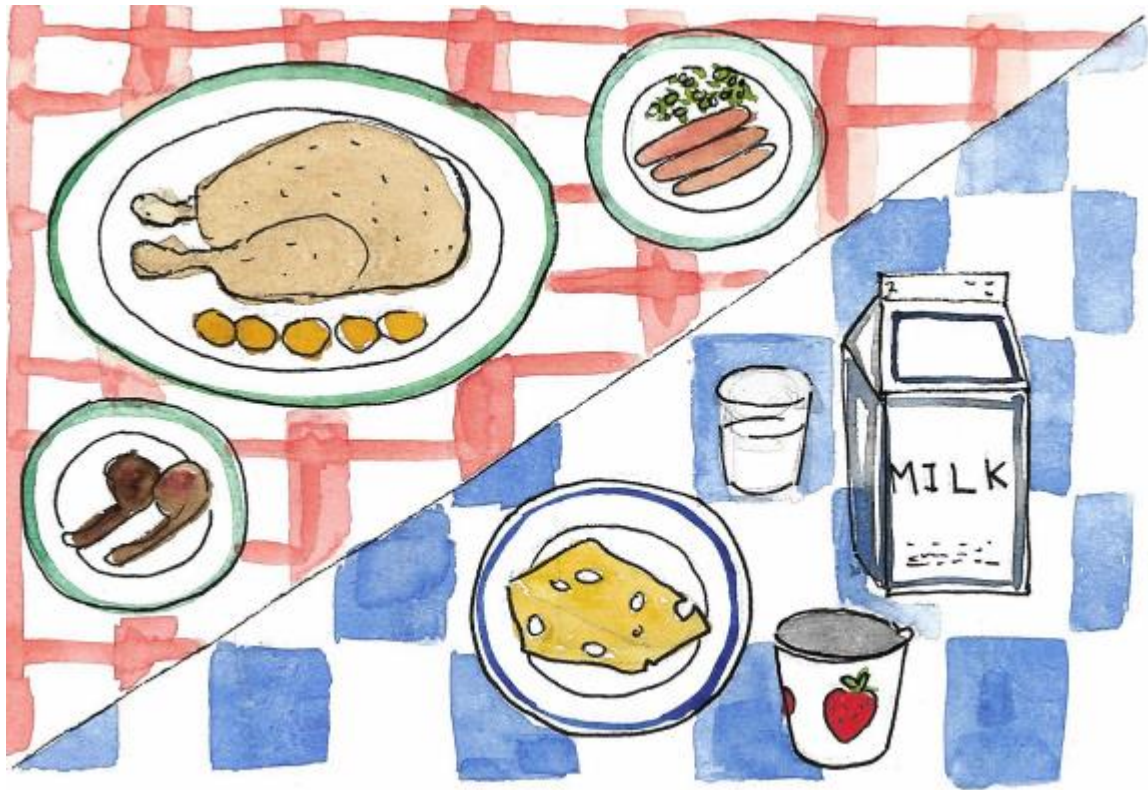

**Be kind to your friend,  
And help whenever there's a need.  
Give charity to the poor,  
All these are such good deeds!**

**Every day we work hard,  
In our jobs or our school.  
Shabbat is our day of rest,  
We have nice meals and go to shul.**

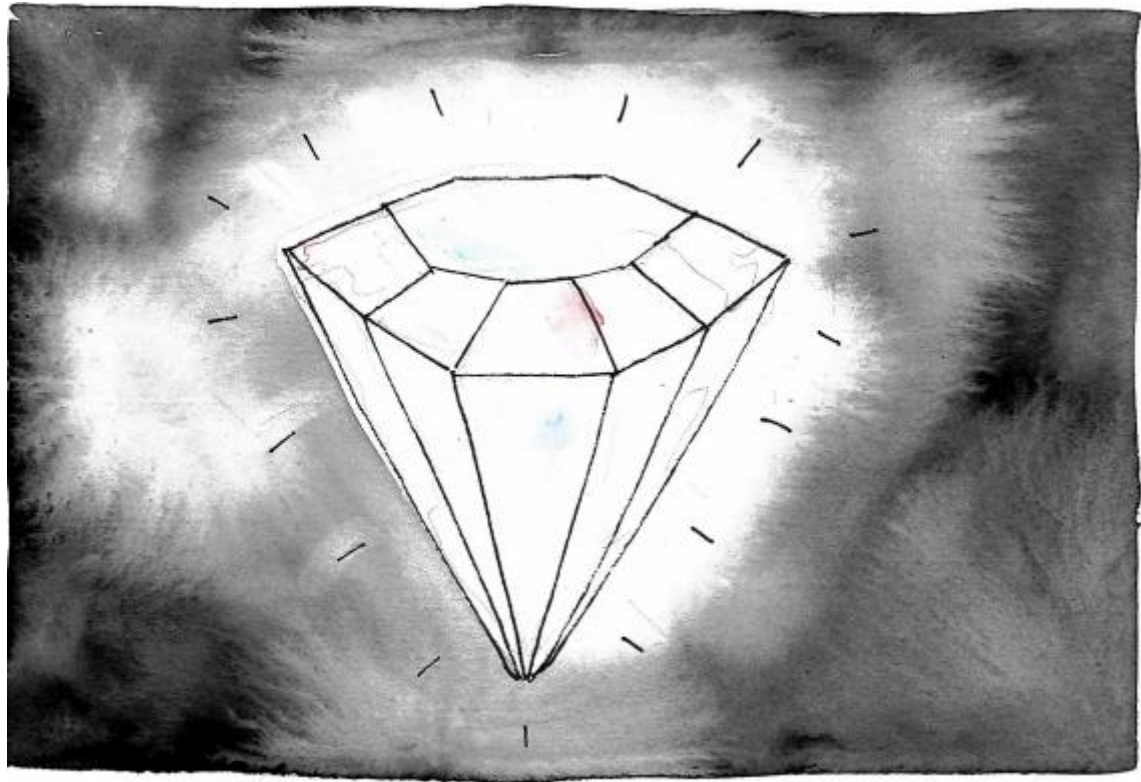

**We stop all our work,  
And spend time with family.  
It's a special day for us,  
To remind us who we can be.**

**Hashem gave us different rules,  
Of what is good to eat.  
Kosher is our special diet,  
We don't eat milk and meat.**

**We all have a soul,  
like a precious diamond inside.  
Our job is to make it shine,  
So it's glow will spread far and wide.**

**Every Mitzva we do,  
Helps our soul to shine so bright.  
Even those we don't understand,  
We do them, because they're right.**

**Because Hashem made the world,  
He knows what's good for us.  
We pray to Him each and every day,  
In Him, we put our trust.**

**We are told to respect all people,  
They were all created in the image of Hashem.  
We speak kindly and make sure to be helpful,  
Whenever we meet one of them.**

**There are actually 613 Mitzvos,  
That's seems a lot for one person to do.  
But the Mitzvot are for us to share,  
Together, me and you!**

**When we live as the Torah advises,  
We are examples to everyone.  
How people can work together,  
And create a society that's just (and also fun!)**

**That is what it means,  
To be a true Jew.  
None of us is perfect,  
There's always work to do.**

**Sometimes we make mistakes,  
We complain or make a fuss,  
But as long as we are trying,  
for Hashem, that's good enough.**

**Today, we became Hashem's people,  
We're so glad that we said "yes"!  
The Torah truly guides us,  
How to grow into our very best 😊**

# HAPPY SHAVUOT
