## 250 Celebrate Purim with Tribe

Six United Synagogue communities took 250 young members to Mega Jump in Borehamwood for Tribe's Mega Purim Fest.

The Tribe Youth Directors of Borehamwood, Bushey, Cockfosters & N Southgate, Radlett, Stanmore & Canons Park and Watford planned and organised the event, which began with a Megillah reading. Participants had an incredible time going crazy on trampolines, playing arcades and loads more fun activities.

Moshe Fehler, Youth Director of Bushey US, commented: **"Our youth are the life-blood and the future of Tribe and it's vitally important that our communities continue to run inspiring and engaging events for them. I'm really proud of what our communities have been able to achieve and hope it's the first of many."**

Speaking about the event, Ben Vos, Community Liaison Manager said: **"Tribe offer support to our communities to ensure that they have the resources to engage their youth. The team of Youth Directors that ran this event worked together brilliantly to give their communities the chance to meet more of their peers and make new friends."**
