## Aleph Champ

### Aleph Champ

Hebrew reading is a fundamental part of Jewish education, though not always easy to learn.

In conjunction with Aleph Champion USA, we have developed a new updated UK version of the popular Aleph Champ programme. This exciting reading system is based on the martial arts motivational philosophy of colour-coded levels and testing. This popular programme is being used successfully in most Chedarim and many Jewish Primary schools in the UK.

In the Aleph range we sell: Reading books (white to grey), workbooks (white to brown), script book, flashcards, wristbands and a homework diary

Prices upon enquiry. To order please email [elischlagman@tribeuk.com](mailto:elischlagman@tribeuk.com) [1]
