

Be a Tribe Leader

Tribe Madrichim are intrinsic to Tribe's success. Without their hard work and dedication, Tribe would not be able to offer such a wide variety of programmes.

Tribe Madrichim play a major role in everything that Tribe do, from day trips, camps in the UK and in Europe to Shabbatonim and Israel Tour.

It's not all work, there is lots of play too. Tribe Madrichim get the chance to make friends with a great group of like-minded people, create programme and activities that keep Participants engaged and entertained. Through the fantastic experiences you will gain essential leadership and team working skills as well as the ability to innovate, improvise and create amazing programmes that will give you the chance to inspire the participants. All of these that give you a head start when it comes to university and entering the working world.

So, if you're enthusiastic, creative and love to have the opportunity to inspire, then being a Tribe Madrich/a is for you.

If you would like to get involved then get in touch with the Tribe team.
