

Clayhall Tribe Host Pizza in the Hut

Despite the rain, everyone had a great time at Clayhall Tribe's 'Pizza in the Hut' held during Chol Hamoed Succot for school years 1-7. Organised by Clayhall Tribe's Youth Director, Naomi Harris, the children enjoyed a pizza snack followed by a variety of arts and crafts activities including keyring making and decorating photo frames.

Naomi said: "It was lovely to see the children experiencing Succot and being able to eat in the succah. We have more exciting events planned and I look forward to working with the children of our community."
