

Tribe A-Side in Leeds Comes to a Close

Over the year Leeds have had their own Tribe-a-Side weekly competition with Leeds Jsoc. This culminated in the Leeds Tribe-A-Side Champions League competition last week. The matches were fiercely contested and after a round robin Fruit and Veg FC and Justice4Davies made it into the Final. This was won 1-0 by Justice4davies with both teams battling hard for the top prize in Leeds! There was a trophy presentation given by one of Leeds' Campus Ambassadors Daniel Eder and Tribe Campus Fieldworker Joni Kleiman. There was also a player of the season trophy presented to Julius Judah who had performed brilliantly every week!

The winners, Justice4davies
