## Tribe on Campus

Tribe aims to provide a Jewish atmosphere for all students on campus.

We visit campus's in Birmingham, Leeds, London, Cambridge, Edinburgh

These events are often run in conjunction with UJS- Chaplaincy and with the JSocs on those campuses. Tribe campus recruiters are also there to show prospective students currently in sixth-form around the various campuses.

With a range of Tribe events including Friday night dinners, Shabbat onegs, lunch and learn sessions and Graduation parties be sure to look out for Tribe on your university campus!
