## Tribe's Kosher Apprentice Winning Creations

This week Tribe visited Moriah and Rosh Pinah primary schools in search of a team that would create an interesting and innovative kosher product. The teams were judged on kashrut and nutrition, their presentation, marketing, team work and originality. The Moriah winners created the iSnack and at Rosh Pinah the winning teams presented the Yoho Choc and Nutrisushi. Tribe will be at Hertsmere JPS and Wolfson Hillel Primary School next month when we will bring you more. In the meantime, here are pictures of the winning teams.
