TOLEDOT - RIDDLED WITH DIFFERENCES!

THIS WEEK'S PARASHA INTRODUCES US TO YA'AKOV AND ESAV, TWINS WITH VERY DIFFERENT PERSONALITIES.

THE BROTHERS MADE A DEAL OVER LENTIL SOUP. YA'AKOV THOUGHT ABOUT THE BLESSING HE WAS GOING TO RECEIVE IN THE FUTURE AND ESAV WAS WORRIED ABOUT BEING HUNGRY AT THAT MOMENT. HELP US SOLVE THIS RIDDLE THAT DESCRIBES THEIR RELATIONSHIP.

My first is in **SIBLINGS**, the stars of our story

My second is in **RIVKAH**, their mother in her glory

My third is **YA'AKOV**, the second of the pair

He loved to learn **TORAH**, my fourth is in there!

My fifth is in **HUNTING**, Esav's favourite sport

My sixth is **LENTILS**, in the soup that he bought

My seventh is in **BIRTHRIGHT**, that switched to Ya'akov

My eighth is in **YITZCHAK**, blinded by love

My ninth is in **TOLEDOT**, the Parasha we call

My tenth is in **FOOD**, enjoyed by one and all

My last is in **RED**, the colour of Esav

Put them together, those letters above
To find what describes these quite different twins
The first to solve this Toledot riddle wins!

Answer: Brotherhood.
