TZAV - SHABBAT HAGADOL: COUNTDOWN TO PESACH!

Pesach is in the air and there's so much to do! Dan and Dina have made a calendar for you to help you on your way.

DID YOU KNOW?

Chametz is food containing wheat, barley, spelt, oats or rye. If water is mixed with flour made from any of these grains and left to stand for more than 18 minutes, it becomes Chametz. During Pesach we are not allowed to own or eat any food that contains Chametz - bring on the Chametz busters! Chametz is not welcome here...

Week before Pesach: Clean home of Chametz, set aside any Chametz you want to sell.

Dan & Dina's Chametz Checklist:

- School blazer pockets (any pockets actually) ✓
- School locker/desk ✓
- Under the bed ✓
- Cupboards/drawers ✓
- Toy box ✓
- School bag ✓
- In the car
