The Matzah has been stolen! There are a number of Pesach-themed personalities sitting around your Seder table, and also a sneaky Matzah thief. Over the course of the evening, you have to unmask the Matzah thief!

Every household member gets a coaster, with a Pesach personality. Make sure that one person gets the 'Matzah thief' coaster. The coasters show you some facts about this personality, as well as words you are not allowed to say. Of course, you also cannot say any part of the personality's name, as that would be a real give-away!

Over the course of the Seder, chat with the people around you, listen to what they are (and aren't!) saying, to reveal who they are, and ultimately, uncover who holds the 'Matzah thief' coaster.
